1. Our Hipkids project this month is *GET MOVING*

This month we are going to help cheer on the families who are participating in the NSTEP Running Room Race sponsored by CIBC at Fish Creek Park. You can make a card for the participants; congratulating them on participating or you can draw or write what you do to stay fit. You can sign up and walk or run this fun and easy race. You can attend the event on Saturday, May 12th at 9am and cheer on the others, or help with craft station or hand out water bottles! (Visit our Face Book page BeHip for details)

Your project needs to be completed by Friday, April 20th.

NSTEP is providing fun and interactive nutrition and activity education to students, teachers, and families across Canada; making a positive change in the health of our communities.

2. I will be offering two theme classes in April including:

Saturday, April 7th 10am – 12pm Star Wars

A theme that has transcended generations!!! This theme party will consist of Star Wars' games fit for Luke Skywalker and Hans Solo!!!! The craft will surely fit Darth Vader's expectations and the snack will be fit for any Storm Trooper!!!! Come dressed as your favorite droid or Star Wars character!!!

Sunday, April 14th 10am – 12pm Medieval Times

Children will be taken back in time where their imaginations will soar as they transform into knights, kings, and princesses. Plus, what would medieval times be without dragons!! This party will have your child wanting to drink from grails, save you from dragons and take you back to the past!!!

A minimum of 4 children are required to run the classes. The cost is \$25/child. Please let me know if you are interested.
