

# What is Death By Chocolate?

Death by Chocolate is the preschool's annual fundraising event. As with many public programs, the preschool relies on fundraising in order to provide the type of programming and amazing opportunities for our students. Rather than relying on parents to do several small fundraisers throughout the year, the preschool hosts a ladies night, consisting of a silent auction, for families and friends. This event is entirely parent organized and it is mandatory that all parents help out in some way.

**This year's event is Saturday, April 28**

# How can I volunteer?

## 1. Joining the planning committee:

The Death by Chocolate committee has been meeting once a month since September. They have been collecting donations from local businesses and organizing such things as food, entertainment, decorations. The committee is open to all parents who want to attend. You are still welcome to attend! The dates of these meetings are listed on the calendar on the website.

## 2. Collecting donations

Do you have a family member or friend that would like to donate to our silent auction? We accept only NEW items such as a basket of items, gift cards, handcrafted items etc. We are also looking for **warm** food donations for the buffet.

## 3. Organizing donated items into baskets to be displayed in the silent auction.

#### 4. Being part of the actual event

##### **Friday, April 27**

- set up: decorations, tables etc.
- Picking up items: flowers, decorations, food

##### **Saturday, April 28**
